

Dog Walking Guide: Safe Routes Around the Maimarkt Grounds in Mannheim

Lower Neckar: Wörthel (North)

This natural area north of the Maimarkt grounds offers wide walking paths along the river and through green surroundings.

B38a

Strict Leash Requirement: B38a

The B38a expressway runs directly west of the grounds. Free-roaming dogs are in mortal danger in this area.

Maimarkt Grounds Mannheim

Field Paths to the East and South

The agricultural paths east of Neuostheimer Straße and south of the Maimarkt grounds provide plenty of space for long walks through the fields.

Pay Attention to Transition Zones

When leaving the field paths and entering built-up areas or roads, dogs should be put on a leash well in advance.

Danger Zone: Mannheim Motorway Interchange

The complex motorway interchange to the southeast poses a significant risk. Dogs must remain on a leash at all times in this area.
