FCI JUNIOR & SENIOR AGILITY OPEN CHAMPIONSHIP 2026

NATIONAL TEAM PRESENTATION

Juniors & Seniors

ABOUT POLISH AGILITY

Poland has marked their presence in FCI Events for many years already, so we couldn't miss the opportunity to participate in the JAO & SAO 2026, especially so close to the border! We're proud of the growing community of agility handlers of all ages who always find something to train - let it be running courses or dog fitness exercises. Some of us travel long distances for each training session, so the spirit is definitely there, now it's the time to let it shine.

SENIOR SQUAD

Poland's Senior team this year is full of new faces. Our senior handles compete regularly and you can see it in the skills and confidence. This year we're bringing you the biggest SAO team ever and they're ready to rock! Our medium team Golden Girls, Ania and Zimba, were crowned the SAO Champions two years ago. Fingers crossed for all runs!

ACKNOWLEDGEMENTS

The Polish Agility Team would like to thank all handlers, trainers, families and supporters who have dedicated countless hours to reaching this level of excellence. Our presence at the FCI Junior & Senior Agility Open Championship 2026 would not be possible without the ongoing support of the Polish Kennel Club, our regional clubs, and our generous sponsors.

We wish every competing nation an exciting and fair championship.
